🎓 IB Teacher | Seoul National University | MSc in Biology

With an MSc in Biology from Seoul National University and a BSc in Environmental Science from Korea University, I've been teaching IB Biology, IGCSE Science, and A-Level Biology for 8 years. My experience spans helping students in South Korea and internationally succeed in their exams.

Teaches: IB Biology A-Level Biology IGCSE Biology GCSE Biology AP Biology

Curriculum: IB A-Level GCSE IGCSE AP

Qualifications

Seoul National University: MSc in Biology (2014–2016)

Korea University: BSc in Environmental Science (2010–2014)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past eight years, I've guided students through IB and IGCSE curricula, ensuring they master key biology concepts. My background in biology and environmental science allows me to teach complex subjects with clarity, helping students boost their performance and confidence in exams.
