Tutoring Experience

Over the past eight years, I have worked closely with students across various international curricula, helping them succeed in IB Maths, A-Level, and IGCSE. My personalized tutoring approach has enabled students to understand complex mathematical concepts, leading to consistently excellent exam results.

In addition to IB Maths, I have supported students preparing for GCSE and A-Level exams, offering tailored guidance and practice sessions. I also specialize in assisting students with Internal Assessments and Extended Essays, ensuring they meet the high standards required for top performance in the IB program.
