Tutoring Experience

For the past five years, I have worked with students from diverse educational backgrounds, helping them master the key concepts in IB Psychology. I specialize in supporting students with their Internal Assessments and Extended Essays, ensuring they meet all the criteria for academic success. Additionally, I assist students in exam preparation across various curricula.

Beyond IB, I have also supported students in A-Level and AP Psychology, providing comprehensive resources and personalized guidance to help them excel. My experience includes helping learners develop strong research skills, particularly in the areas of psychology and sociology, equipping them with the knowledge needed for higher education.
